Product, IT, ML, Full Stack, UX A11Y Professional · St. Charles, MO · [info@daniellefavreau.com](mailto:info@daniellefavreau.com) · [linkedin.com/in/daniellefavreau](https://www.linkedin.com/in/daniellefavreau)

I am an accomplished Product and UX/UI Professional with a proven track record of leading cross-functional teams to deliver impactful, inclusive digital solutions. With expertise in accessibility, design system architecture, and human-centered design, I have driven multi-million-dollar projects and successfully aligned product strategies with user and business goals. My ability to blend strategic vision with technical insight and user experience makes me a key contributor to creating innovative, compliant, and user-focused experiences.
